October 2016

Flatiron/Dragados, LLC. partnered with Workforce Solutions of the Coastal Bend to host job fair

It was estimated that more than 5,000 people attended the first Harbor Bridge Project job fair held on Friday, October 14, at the Sunrise Career Center. Opportunities were available to apply for a variety of positions including field engineer, laborer, forklift and crane operator, welder, draftsman, and carpenter. Hundreds of applicants participated in on-site, pre-screening job interviews in hopes of being a part of this historical project.

Community chooses new logo for Harbor Bridge Project

Voters online help select a new logo design for the Harbor Bridge Project. The TxDOT-Corpus Christi District and the construction firm hired to build the new Harbor Bridge, Flatiron/Dragados, LLC, are proud to announce the winning logo received 67 percent of the vote. Online voting kicked off Monday, September 26, and was open to the public for a two-week period. Participants had the chance to vote on their favorite logo, while also being a part of this monumental project. The winning logo will represent the Harbor Bridge Project and will be used on a variety of marketing materials and other project documents to assist with promoting a consistent brand.
