TRAFFIC ADVISORY

For Immediate Release

May 18, 2018

Upcoming Harbor Bridge Project closures to affect northbound SH 286 Laredo/Agnes Street entrance ramp and frontage road

Closures to include both permanent and long-term impacts

CORPUS CHRISTI –Beginning June 5, 2018 the northbound SH 286 (Crosstown Expressway) entrance ramp from Laredo/Agnes Street will be closed permanently. Additional long-term closures will affect various routes near northbound SH 286 (Crosstown Expressway) frontage road at Mussett Street to Lipan Street. A detailed listing of closures is included below.

Permanent Closure

Beginning June 5, 2018 the northbound SH 286 (Crosstown Expressway) entrance ramp from Laredo/Agnes Street will be closed.

Long-Term Closure

Beginning June 5, 2018 to December 2019 the northbound SH 286 frontage road (Brownlee Street) from Mussett Street to Lipan Street will be closed. See attached map for recommended alternate routes for access to uptown and IH37.

Closures are not expected to affect traffic on the Harbor Bridge. All work is weather permitting.

Motorists are urged to be aware of the lane closures, to consider using alternate routes, to follow all traffic control devices, and to slow down in the work zones.

For information about all current and upcoming lane closures related to the Harbor Bridge Project, visit www.harborbridgeproject.com.
