TRAFFIC ADVISORY

For Immediate Release

June 28, 2019

Upcoming Harbor Bridge Project nightly lane closures to affect traffic near IH 37/ SH 286 interchange

All work is to be completed prior to July 4 holiday weekend

CORPUS CHRISTI – Various lane closures affecting traffic traveling within the IH37/SH 286 interchange will take place beginning June 29, 2019, to July 01, 2019 as part of the Harbor Bridge Project. Work is scheduled to be complete prior to the July 4 holiday weekend. All work is weather permitting. A detailed listing of closures is included below.

On Saturday, June 29, 2019 the following closures will be in effect:

IH 37 northbound and southbound lanes will be closed intermittently between Alameda Street and Staples Street. The intermittent, full-freeway closures will take place between 9 p.m. and 6 a.m. and will last approximately 15 minutes per closure.

On Sunday, June 30, 2019 the following closures will be in effect:

Southbound right lane of IH 37 will be closed from Stillman Avenue to Port Avenue from 9 p.m. to 6 a.m. Southbound IH 37 exit ramp to Port Avenue will be closed from 9 p.m. to 6 a.m.

Motorists are urged to be aware of the lane closures, to consider using alternate routes, to follow all traffic control devices, and to slow down in the work zones.

For information about all current and upcoming lane closures related to the Harbor Bridge Project, visit www.harborbridgeproject.com.
