## TRAFFIC ADVISORY

For Immediate Release  
October 31, 2019

### **Upcoming Harbor Bridge Project closure to affect northbound SH 286 direct connector to northbound IH 37**

*Closure for two nights, November 5 and November 6*

---

**CORPUS CHRISTI** – Beginning Tuesday, November 5, 2019 and Wednesday, November 6, 2019, the northbound SH 286 (Crosstown Expressway) to northbound IH 37 direct connector will be closed nightly. The closure will take place between 9:00 p.m. to 6:00 a.m. and is necessary to complete construction of the interchange detour. All work is weather permitting.

Motorists needing to access northbound IH 37 from northbound SH 286 should exit Leopard Street. Detours will be in place and traffic signs will assist with navigating motorists through alternate routes.

Motorists are urged to be aware of the lane closures, to consider using alternate routes, to follow all traffic control devices, and to slow down in the work zones.

For information about all current and upcoming lane closures related to the Harbor Bridge Project, visit [www.harborbridgeproject.com](http://www.harborbridgeproject.com).
