TRAFFIC ADVISORY

For Immediate Release

11/18/2019

Upcoming Harbor Bridge Project closures to affect Nueces Bay Boulevard Intersection at IH 37

CORPUS CHRISTI – The intersection at IH 37 and Nueces Bay Boulevard will be closed starting at 6:00 a.m. from Thursday, November 21, 2019 through Friday, November 22, 2019 as part of the Harbor Bridge Project. The northbound and southbound lanes of Nueces Bay Boulevard will be reduced to one lane as motorists approach the IH 37/Nueces Bay Boulevard intersection. The closures and lane reductions are necessary for the demolition of the Nueces Bay Bridge.

Frontage roads will remain open and detours will be in place. Please see attached detour map. All work is weather permitting.

The Nueces Bay Boulevard Bridge will be reconstructed as part of the Harbor Bridge project.

Motorists are urged to be aware of the lane closures, to consider using alternate routes, to follow all traffic control devices, and to slow down in the work zones.

For information about all current and upcoming lane closures related to the Harbor Bridge Project, visit www.harborbridgeproject.com.
