TRAFFIC ADVISORY

For Immediate Release
March 20, 2020

Upcoming Harbor Bridge Project closure to affect Northbound SH 286 direct connector to Northbound IH 37

Closure will be in effect for one night

CORPUS CHRISTI – Beginning Monday, March 23, the northbound SH 286 (Crosstown Expressway) to northbound IH 37 direct connector will be closed from 9 p.m. until 6 a.m. This closure is necessary to complete construction of the interchange detour.

Motorists needing to access northbound IH 37 from northbound SH 286 should exit Leopard Street. Detour and traffic signs will be in place to assist motorists with navigating through alternative routes.

Motorists are urged to be aware of the temporary closure, to consider using alternate routes, to follow all traffic control devices, and to slow down in the work zones. All work is weather permitting.

For information about all current and upcoming lane closures related to the Harbor Bridge Project, visit: www.harborbridgeproject.com.
