Upcoming Harbor Bridge Project closures to affect southbound lanes of IH 37

Closures will be in effect for one night

CORPUS CHRISTI – Beginning tonight at 9 p.m. until 6 a.m., the southbound lanes of IH 37 will be closed for pavement repairs. A detour is in place for traffic to take the exit at Up river Road and stay on the frontage road past Nueces Bay Boulevard to a temporary ramp entrance.

Motorists are urged to be aware of the lane closures, to consider using alternate routes, to follow all traffic control devices, and to slow down in the work zones. All work is weather permitting.
