TRAFFIC ADVISORY

For Immediate Release

March 22, 2021

Upcoming Harbor Bridge Project closure to affect the direct connector from northbound SH 286 (Crosstown Expressway) to northbound IH 37

Two night closure to be in effect beginning Wednesday, March 24, 2021

CORPUS CHRISTI – On Wednesday, March 24, and Thursday March 25, the direct connector from northbound SH 286 (Crosstown Expressway) to northbound IH 37 will be closed both nights from 9 pm until 6 am.

The closure is necessary for construction of the new interchange bridges for the Harbor Bridge Replacement Project. Motorists heading northbound on SH 286 will take the IH 37 southbound exit and make a U-turn at Chaparral Street to continue northbound on IH 37.

Portable message signs will be in place to assist motorists with navigating through the alternate route.

Motorists are urged to be aware of the closure, consider using alternate routes, follow all traffic control devices, and to slow down in the work zones. All work is weather permitting.

For information about all current and upcoming lane closures related to the Harbor Bridge Project, visit www.harborbridgeproject.com.
