TRAFFIC ADVISORY

For Immediate Release

December 12, 2022

Upcoming Harbor Bridge Project temporary closure for mainlane traffic shift to affect the Northwest Loop Ramp from Martin Luther King Drive to southbound SH 286 (Crosstown Expressway).

One-night closure and mainlane traffic shift to be in effect December 14 - 15

CORPUS CHRISTI – On Wednesday, December 14, from 9 pm until 6 am, Thursday December 15, the Northwest Loop Ramp from Martin Luther King Drive to southbound SH 286 will be closed for one night. The temporary closure is necessary to stripe, place concrete barrier wall, and shift southbound SH 286 traffic onto newly paved mainlanes.

Motorists heading southbound on US 181 to southbound SH 286 will be detoured to continue northbound on IH 37, take the Up River Road exit, make a U-turn, and continue southbound on IH 37 to the direct connector ramp for southbound SH 286.

Motorists leaving the bayfront area to southbound SH 286 will continue northbound on IH 37, take the Up River Road exit, make a U-turn, and continue southbound on IH 37 to the direct connector ramp for southbound SH 286.

Portable message signs will be in place to alert motorists of the closure and to assist with navigating the alternate route.

Motorists are urged to be aware of the temporary closure, consider using alternate routes, follow all traffic control devices, and to slow down in the work zones. All work is weather permitting.

For information about all current and upcoming lane closures related to the Harbor Bridge Project, visit www.harborbridgeproject.com.
