## TRAFFIC ALERT

For Immediate Release  
February 26, 2024

**Harbor Bridge Project construction will affect IH 37 northbound and southbound mainlane shoulders from Staples Street to Nueces Bay Boulevard and could impact commuters with temporary slow-rolling traffic.**

*Nightly traffic control to be in effect February 27 – March 1.*

---

**CORPUS CHRISTI** – Beginning Tuesday, February 27, from 9 pm until 6 am, nightly through Friday, March 1, northbound and southbound IH 37 mainlanes may be impacted by slow-rolling traffic from Staples Street to Nueces Bay Boulevard. Traffic control will be in place while operations to paint permanent traffic barriers continue.

**Motorists are urged to be aware of slow-rolling traffic, consider using the detour routes, follow all traffic control devices, and to slow down in the work zones. All work is weather permitting.**

For information about all current and upcoming lane closures related to the Harbor Bridge Project, visit [www.harborbridgeproject.com](http://www.harborbridgeproject.com).
