## TRAFFIC ADVISORY

For Immediate Release  
August 20, 2024

### **Upcoming Harbor Bridge Project temporary closure to affect all eastbound I-37 mainlanes at the South Interchange. A detour will be in place.**

*Temporary one-night closures to be in effect August 22, 2024*

---

**CORPUS CHRISTI** – On Thursday, August 22, from 9 pm until 6 am, Friday, August 23, all eastbound I-37 mainlanes will be closed at the SH 286 Interchange. The temporary closures are necessary to remove equipment from the overhead connector ramp.

Motorists traveling eastbound on I-37 towards the Bayfront or to northbound US 181 towards North Beach will be detoured to take the connector ramp to southbound SH 286, make a U-turn at Tarlton Avenue, and head northbound on SH 286 to the northbound US 181 and eastbound I-37 ramps.

Portable message signs will be in place to assist motorists with navigating the alternate route.

**Motorists are urged to be aware of the mainlane closure, consider using alternate routes, follow all traffic control devices, and to slow down in the work zones. All work is weather permitting.**

For information about all current and upcoming lane closures related to the Harbor Bridge Project, visit [www.harborbridgeproject.com](http://www.harborbridgeproject.com).
