TRAFFIC ADVISORY

For Immediate Release

October 20, 2024

The Harbor Bridge Project announces ongoing paving operation to install the final surface layer at westbound IH 37 entrance and exit ramps near Nueces Bay Blvd.

One-day exit ramp closures to be in effect October 21.

CORPUS CHRISTI – On Monday, October 21, from 9 am until 4 pm, paving convoys will be in place at the westbound IH 37 entrance and exit ramps near Nueces Bay Blvd to install final asphalt surface layers.

Motorists traveling in the area will be detoured to utilize the entrance ramp at westbound IH 37 and Buddy Lawrence Drive or the exit ramp at Up River Road.

This final step to complete the ramps marks a significant milestone towards improved connectivity around the South Interchange.

Commuters are urged to be aware of the ramp closures, traffic control devices, and slow-moving traffic along the mainlanes and frontage roads. All work is weather permitting.

For information about all current and upcoming lane closures related to the Harbor Bridge Project, visit www.harborbridgeproject.com.
