TRAFFIC ADVISORY

For Immediate Release

November 1, 2024

Upcoming Harbor Bridge Project nightly closures to affect the connector ramp from eastbound IH 37 to southbound SH 286 (Crosstown Expressway).

Temporary nightly closures to be in effect November 4 – 7.

CORPUS CHRISTI – Beginning Monday, November 4, from 9 pm until 6 am, nightly through Thursday, November 7, the connector ramp from eastbound IH 37 to southbound SH 286 will be closed. The ramp closures are necessary to continue final painting operations and guardrail installation.

Motorists heading eastbound on IH 37 should seek an alternate route to access southbound SH 286 during the short-term closures.

Traffic control devices will be in place to alert commuters of the ramp closure.

Motorists are urged to be aware of the nightly ramp closures, consider using alternate routes, follow all traffic control devices, and to slow down in the work zones. All work is weather permitting.

For information about current and upcoming lane closures related to the Harbor Bridge Project, visit www.harborbridgeproject.com.
