### TRAFFIC ADVISORY

For Immediate Release

May 15, 2025

**Upcoming Harbor Bridge Project nightly closures to affect all southbound US 181 mainlanes from Beach Avenue to Burleson Street. A detour to the frontage road will be in place.**

*Temporary mainlane closures to be in effect nightly from 7 pm until 6 am, May 18 – 23, 2025.*

---

**CORPUS CHRISTI** – Beginning Sunday, May 18, from 7 pm until 6 am nightly, through Friday, May 23, all southbound US 181 mainlanes will be closed on North Beach from Beach Avenue to Burleson Street. The closures are necessary to complete the new bridge southbound tie-in on North Beach.

Motorists heading southbound on US 181 will be detoured at the Beach Avenue exit and remain on the frontage road to reenter US 181 near Burleson Street.

Portable message boards will be in place to alert motorists of the mainlane closures and detour route.

**Motorists are urged to be aware of the mainlane closures, consider using alternate routes, follow all traffic control devices, and to slow down in the work zones. All work is weather permitting.**

For information about all current and upcoming lane closures related to the Harbor Bridge Project, visit [www.harborbridgeproject.com](http://www.harborbridgeproject.com).
