TRAFFIC ADVISORY

For Immediate Release

April 4, 2026

Upcoming Harbor Bridge Project temporary detour to affect northbound IH 37 connector ramps from northbound SH 286 and southbound US 181. Commuters should plan for minor delays.

Daytime connector ramp detours to be in effect will on April 7 and 8.

CORPUS CHRISTI – On Tuesday, April 7, and Wednesday, April 8, from 9 am until 3 pm both days, the northbound SH 286 and southbound US 181 connector ramps to northbound IH 37 will be temporarily detoured to the Martin Luther King Drive frontage road to access IH 37 from the on-ramp near Nueces Bay Boulevard.

Message boards and traffic control devices will be in place directing commuters to continue along the Martin Luther Drive frontage road to access northbound IH 37.

Motorists are urged to be aware of the temporary connector ramp detour, plan for minor delays, follow all traffic control devices, and to slow down in the work zones. All work is weather permitting.

For information about all current and upcoming lane closures related to the Harbor Bridge Project, visit www.harborbridgeproject.com.
