TRAFFIC ADVISORY

For Immediate Release

April 13, 2026

Upcoming Harbor Bridge Project closure to affect commuters leaving the Bayfront Area toward northbound IH 37. Motorists should anticipate minor delays and seek alternate routes.

Northbound IH 37 mainlane closure to be in effect April 17 – 19.

CORPUS CHRISTI – Beginning Friday, April 17, at 9 pm, northbound IH 37 commuters leaving the bayfront area will be detoured at N Chapparral Street for up to 48 hours. The two-day closure is necessary for ongoing restoration of IH 37.

Motorists leaving the Bayfront area toward northbound IH 37 will follow a detour to turn right on N Chapparral Street, left on Belden Street, and left on N Tanchua Street to continue along the Martin Luther King Drive frontage road for the northbound IH 37 entrance ramp at Stillman Avenue.

Motorists leaving the Bayfront area toward southbound SH 286 will follow a detour to turn right on N Chapparral Street, left on Belden Street, and left on N Tanchua Street to continue along the Martin Luther King Drive frontage road to access the loop ramp for southbound SH 286.

Motorists leaving the Bayfront area toward northbound US 181 will follow a detour to turn right on N Chapparral Street, left on Belden Street, left on N Tanchua Street to continue along the Martin Luther King Drive frontage road, and make a U-turn at Nueces Bay Boulevard to merge on to IH 37 for the northbound US 181 connector ramp.

Motorists are urged to be aware of the highway closure, consider using alternate routes, follow all traffic control devices, and to slow down in the work zones. All work is weather permitting.
