TRAFFIC ADVISORY

For Immediate Release

June 8, 2026

Upcoming Harbor Bridge Project temporary connector ramp closure to affect southbound IH 37 to northbound US 181 toward North Beach and Portland. A detour will be in place.

Motorists should plan accordingly.

Temporary connector ramp closure will be in effect on June 10.

CORPUS CHRISTI – Beginning Wednesday, June 10, at 9 pm until 6 am, the connector ramp from southbound IH 37 to northbound US 181 will be temporarily closed to repair a damaged crash cushion attenuator.

Motorists traveling southbound on IH 37 to northbound US 181 will be detoured to take the connector ramp for southbound SH 286, exit at Morgan Avenue, and turn left to access the entrance ramp for northbound SH 286 toward northbound US 181.

Traffic control devices will be in place to alert motorists of the connector ramp closure and to assist with the detour.

Motorists are urged to be aware of the temporary ramp closure, plan for an alternate route, follow all traffic control devices, and to slow down in the work zones. All work is weather permitting.

For information about all current and upcoming lane closures related to the Harbor Bridge Project, visit www.harborbridgeproject.com.
