TRAFFIC ADVISORY
For Immediate Release
July 23, 2026

Upcoming Harbor Bridge Project temporary US 181 Harbor Bridge mainlane reductions to affect northbound and southbound commuters at night only. Motorists should plan for delays or to seek alternate routes.

Temporary US 181 mainlane reductions to be in effect at night only on July 27 – 30.

CORPUS CHRISTI – On Monday, July 27, and Tuesday, July 28, from 9 pm until 6 am, both nights, southbound US 181 over the Harbor Bridge will be reduced to one mainlane of through traffic.

On Wednesday, July 29, and Thursday, July 30, from 9 pm until 6 am, both nights, northbound US 181 over the Harbor Bridge will be reduced to one mainlane of through traffic.

The nightly mainlane reductions are necessary to stage equipment to access the US 181 Harbor Bridge aesthetic lights.

Commuters should prepare for slow-moving traffic delays.

Motorists are urged to be aware of slow-moving traffic, follow all traffic control devices, and to slow down in the work zones. All work is weather permitting.

For information about all current and upcoming lane closures related to the Harbor Bridge Project, visit www.harborbridgeproject.com.
