TRAFFIC ADVISORY

For Immediate Release
July 29, 2026

Ongoing Harbor Bridge Project temporary US 181 Harbor Bridge mainlane reductions to affect northbound commuters tonight. Southbound US 181 will be fully open to through traffic. Northbound US 181 commuters should plan for delays or seek alternate routes.

Temporary northbound US 181 mainlane reduction to be in effect at night only on July 29.

CORPUS CHRISTI – Tonight, Wednesday, July 29, from 9 pm until 6 am, northbound US 181 over the Harbor Bridge will be reduced to one mainlane of through traffic.

The temporary mainlane reductions are necessary to stage equipment to access the US 181 Harbor Bridge tower lights.

Commuters should prepare for slow-moving traffic delays.

Motorists are urged to be aware of slow-moving traffic, follow all traffic control devices, and to slow down in the work zones. All work is weather permitting.

For information about all current and upcoming lane closures related to the Harbor Bridge Project, visit www.harborbridgeproject.com.
