TRAFFIC ADVISORY
For Immediate Release
July 31, 2026

Upcoming Harbor Bridge Project temporary nightly southbound US 181 outside mainlane and shoulder reduction to affect Harbor Bridge commuters.

Temporary southbound US 181 mainlane and shoulder closure to be in effect at night only, August 3 – 5.

CORPUS CHRISTI – Beginning Monday, August 3 through Wednesday, August 5, from 9 pm until 6 am nightly, the southbound US 181 outside mainlane and shoulder will be temporarily closed over the US 181 Harbor Bridge. The mainlane and shoulder reductions are necessary to stage equipment for access to the aesthetic lights beneath the bridge.

Traffic control devices will be in place to alert commuters of the mainlane closures.

Motorists are urged to be aware of slow-moving traffic, follow all traffic control devices, and to slow down in the work zones. All work is weather permitting.

For information about all current and upcoming lane closures related to the Harbor Bridge Project, visit www.harborbridgeproject.com.
