TRAFFIC ADVISORY

For Immediate Release

August 11, 2026

Upcoming Harbor Bridge Project temporary detour to affect northbound SH 286 commuters taking the connector ramp toward northbound IH 37. A detour to the frontage road will be in place.

Temporary connector ramp detour will be in effect August 13.

CORPUS CHRISTI – On Thursday, August 13, from 9 pm to midnight, the northbound SH 286 connector ramp to northbound IH 37 will be temporarily detoured to the Martin Luther King Drive frontage road. One outside mainlane of northbound IH 37 will also be temporarily closed in the area to repair guard rail damage.

Message boards and traffic control devices will be in place directing commuters to continue along the Martin Luther Drive frontage road to access northbound IH 37.

Motorists are urged to be aware of the temporary connector ramp detour, plan for minor delays, follow all traffic control devices, and to slow down in the work zones. All work is weather permitting.

For information about all current and upcoming lane closures related to the Harbor Bridge Project, visit www.harborbridgeproject.com.
