TRAFFIC ADVISORY

For Immediate Release

August 29, 2026

Harbor Bridge Project temporary connector ramp closure will affect southbound IH 37 commuters heading toward southbound SH 286 (Crosstown Expressway). A detour will be in place.

Temporary connector ramp closure will be in effect at night only on September 1.

CORPUS CHRISTI – On Tuesday, September 1, from 9 pm until 6 am, the connector ramp from southbound IH 37 to southbound SH 286 will be temporarily closed.

Motorists traveling southbound on IH 37 toward southbound SH 286 will be detoured to take the Port Avenue exit, turn right on Port Avenue, and continue straight to turn left on Comanche Street to access the Culberson Street frontage road for the southbound SH 286 entrance ramp.

Portable message signs will be in place to alert commuters of the ramp closure and detour.

Motorists are urged to be aware of the temporary ramp closure, plan for an alternate route, follow all traffic control devices, and to slow down in the work zones. All work is weather permitting.

For information about all current and upcoming lane closures related to the Harbor Bridge Project, visit www.harborbridgeproject.com.
