TRAFFIC ADVISORY

For Immediate Release

September 28, 2026

Harbor Bridge Project southbound US 181 Harbor Bridge nightly mainlane reduction and shoulder closure will affect commuters at night only. Motorists should anticipate delays.

Temporary southbound US 181 mainlane and shoulder closures will be in effect at night only, September 28 – October 1.

CORPUS CHRISTI – Today, Monday, September 28, through Thursday, October 1, southbound US 181 outside mainlane and shoulder on the Harbor Bridge will be closed nightly from 9 pm until 6 am.

Traffic control devices will be in place to alert commuters of the temporary mainlane reduction and shoulder closure.

Motorists are urged to be aware of the lane closures, follow all traffic control devices, and to slow down in the work zones. All work is weather permitting.

For information about all current and upcoming lane closures related to the Harbor Bridge Project, visit www.harborbridgeproject.com.
