TRAFFIC ADVISORY
For Immediate Release
November 2, 2026

Upcoming Harbor Bridge Project temporary southbound US 181 Harbor Bridge mainlane reduction and shoulder closure will affect commuters during the day for one hour. Motorists should anticipate delays.

Southbound US 181 on the Harbor Bridge will temporarily be reduced to one mainlane today, November 2.

CORPUS CHRISTI – Today, Monday, November from 10 am until 11 am, southbound US 181 on the Harbor Bridge will be reduced to one inside mainlane for through traffic.

Traffic control devices will be in place to alert commuters of the temporary mainlane and shoulder closures.

Motorists are urged to be aware of the lane closures, follow all traffic control devices, and to slow down in the work zones. All work is weather permitting.

For information about all current and upcoming lane closures related to the Harbor Bridge Project, visit www.harborbridgeproject.com.
